## Fall Programming for Society

The Huron County Historical Society is sometimes challenged to find locations and ideas that will take our membership to all corners of the County.

Our first meeting of the fall season will take us to Exeter.

There are some in our communities who may remember the young farmerettes helping throughout the farming countryside during the war years. Bonnie Sitter has captured this fascinating historical note in a book and will talk to us of the contributions of these young women.

And to add to the visit we are scheduling a short Heritage tour in Exeter. Our streetscapes are a valuable visual of our history.

And finally we have organized a dinner at the Exeter United Church where our event starts and ends. Please consider all aspects of this full meeting and rsvp so we can plan accordingly.

### Tidbits

Our spring meetings were well attended and we are on our way to increasing the membership in the Society.

Look for us at the Zurich Bean Festival August 24. We will be located right near the Library corner. Some of the executive may surprise you with their costumes. Let's hope for drier weather this year. We have binders of local history and a good selection of back issues of the NOTES for sale as well as our popular postcards.

### Remembering Glenn I. Gardiner 1941-2019

It is with great sadness that we note the loss of one of our valuable historians. Glenn Gardiner was a long time Society member and a prolific postcard collector. Always there with a story, he grew up in and around the harbour in Goderich and was fascinated with the history of the coast.

Glenn was a frequent contributor of historic Goderich images to the 'Looking Back' section of the local newspaper.

Reproductions of Glenn's post cards may be seen on the walls at the Park House and the Beach Street Station.

He split his time between Toronto and Port Albert.
